

Stone Hill Financial and TEST Football Academy Partnership

Preparing college football players with the best opportunity for life in the NFL.

Annandale, NJ – January 10, 2022.

Stone Hill Financial announced a new partnership with TEST Football Academy to offer financial literacy to the athletes that enter the academy in preparation for the NFL Combine.

“The addition of Stone Hill Financial to the TEST Team continues to differentiate what our academy has to offer for these young athletes. Our team is made up of the best in the industry including Performance Enhancement Specialists, Coaches, Doctors, Sport Psychologists, Massage Therapists, Physical Therapists, Nutritionist and now a team of certified financial advisors to offer the greatest success possible,” said Kevin Dunn, Owner and CEO of TEST Football Academy.

“We’re thrilled to be partnering with TEST to offer financial literacy and our services. Our goal is to best prepare these young athletes with the information and tools for long-term financial stability. Making it to the NFL is an incredible achievement and having a financial plan in place will extend this amazing accomplishment for years to come,” said Timothy Hyland, Certified Financial Planner (CFP®) and President of Stone Hill Financial.

The NFL is one of the most demanding sports and according to an RBC Wealth Management study, the average age of retirement is 27.6. [1] Some athletes make it to retirement, while others may be forced to leave the game early because of an injury. Many professional athletes declare bankruptcy during or quickly after retirement [2] which often can be avoided with proper money management.

TEST Football Academy is the result of Kevin Dunn, Owner & CEO, Geir Gudmundsen, Director of Football Operations, and their team of world class performance coaches and many current and former NFL Veterans. With the program’s collective experience and expertise, they prepare athletes for the NFL Combine, Pro Days and help to extend NFL careers with consistent follow-up and coaching in the off-season year after year. No longer do you have to accept one trainer when you can have an entire team of experts supporting you on the most important journey of your life. Located in Martinsville, NJ.

Stone Hill Financial was founded by Timothy M. Hyland, CFP® with the goal of assisting clients to develop a financial strategy that meets their individual needs. Our focus is to help educate on the importance of a financial plan and assist clients map out an appropriate strategy that matches their unique goals, priorities, short and long-term objectives and tolerance for risk.
